

Virtual Public Exhibition

On behalf of 2Agriculture Limited, we would like to invite you to a 'Virtual Public Exhibition' taking place from Wednesday 24th June 2020 until Monday 29th June 2020. The Exhibition will be available to view using the following website address:

<https://vpc.tetratecheurope.com/wyg/chalklane>

The proposal is for an agricultural feed mill with associated works at land at Chalk Lane, Snetterton, Norfolk, NR16 2JZ (land edged in red on the map extract below). A masterplan for the site will be available to view on the website along with further details of the proposed development.

There will be a Live Chat function where members of the project team will be available to answer any questions you may have with regards to the proposal (within usual working days/hours). Alternatively, there will also be a contact e-mail address for any specific questions and an online feedback form to provide your comments on the proposed development.

If you have any issues accessing the website, please contact Janet Rowley using the e-mail address janet.rowley@wyg.com
